

GOVERNMENT OF ANDHRA PRADESH  
ABSTRACT

Water Resources Department – Laying of Pipe Conduit from Km.72.00 to Km.185.00 of TBPLLC in the Tungabhadra Board Limits – In-principle Administrative Approval – Orders – Issued.

-----  
WATER RESOURCES (PROJECTS.III) DEPARTMENT

G.O.RT.No. 153

Dated: 21-02-2019

Read:

From the Chief Engineer (P), Kurnool Letter No. ICD-32-  
TW0KCC/41/2018/DEE.4/AEE.3/TBB/ Camp-2, Dt.20-02-2019.

&&&&

ORDER:

In the letter read above, the Chief Engineer (P), Kurnool has informed that TBPLLC is an interstate canal originating from TB Board completed during the year 1952 with an allocation of 24 TMC out of 212 TMC contemplated in the Tungabhadra Reservoir as per KWDT award.

2. The Chief Engineer (P), Kurnool has submitted that due to lot of unauthorised drawls, pilferages and non-ayacut on the upstream side reach of the TBPLLC under the jurisdiction of TB Board, the proportionate allocation of water to AP is not being realised at the AP Border.

3. Further, the meagre flows realised at the Border is not sufficient to meet the drinking, domestic and irrigation needs of the standing crops in critical period resulting in large migration of the population from this area. As the western parts of the Kurnool district are chronically drought prone, it is essential to ensure timely delivery of water through TBPLLC which is the only source for sustenance of this area.

4. As such, the Chief Engineer (P), Kurnool has proposed to run a Pipe Conduit starting from Km.72.00 and joining at Km.185.00 on TBPLLC to avoid losses, pilferages and unauthorised drawls from the existing open channel which is the order of the day at present.

5. Accordingly, the Chief Engineer (P), Kurnool has prepared the Line estimate for “Laying of Pipe Conduit from Km.72.00 to Km.185.00 of TBPLLC in the Tungabhadra Board Limits” same works out to Rs. 1300.00 Crores as per the current SSR 2018-19.

6. The Chief Engineer (P), Kurnool has requested to accord administrative approval for the same and necessary orders communicated early duly referring the proposal to TB Board for obtaining concurrence from the Govt. of Karnataka to facilitate the grounding of the scheme.

...2/-

7. Government after careful examination of the matter, hereby accord in-principle administrative sanction for an amount of Rs.1300.00 Crores (Rupees One Thousand Three Hundred Crores only) for the work "Laying of Pipe Conduit from Km.72.00 to Km.185.00 of TBPLLC in the Tungabhadra Board Limits" subject to obtaining concurrence from the Govt of Karnataka through TB Board.

8. The Chief Engineer (P), Kurnool shall take necessary action accordingly.
